

Ahoy Mateys! We would like to invite you to
the first annual

~Treasure Gala~

We have changed the big Friday night event to
include installation with a semi-formal/formal dance
following.

We encourage everyone to consider this change and
be certain you have placed your “treasured” semi-
formal/formal clothing in your *bootie* to come and
share *priceless* times with your Treasured new
and old friends.
